About the book.

Signs and symbols instead of drugs – especially for children, New Homeopathy is a wonderful alternative for the treatment of diseases, everyday ailments, minor injuries and blockades. A gentle, simple, and quick help from birth to puberty.

Whether colic or problems with teething of the infant, childhood diseases or head lice, ADHD, eating disorders or learning problems of older children - the fourth volume of the successful series “Sketching Medicine” provides practical hints, tips that can be put easily into practice, and advice for the effective and creative use of Körbler’s signs and symbols.

With numerous helpful test lists for sensitive testing procedures!
